Kununurra and the East Kimberley region is filled with mystery, culture and some of Western Australia's most prized natural attractions. Be enthralled by the beauty of striking rock formations as old as the earth and calmed by the lakes and waterfalls that flow to the sound of birds singing. Discover the hidden secrets of World Heritage sites such as Purnululu National Park (Bungle Bungles).

The resort is your central sanctuary from which to access Western Australia's extraordinary East Kimberley. Ideally located in the centre of town, less than 5km from the Kununurra Airport, the resort is the perfect location for your next meeting or function.
